單位簡介

Impact Hub Taipei是華語世界第一個Impact Hub，也是台灣第一個獲得B型企業認證的共同工作空間與影響力孵化器。近年，我們以「聯合國永續發展目標（SDGs）」作為議題與孵化主軸。期待在國際與資源串鏈結下，讓Impact Hub Taipei成為亞洲的社創中心。

Impact Hub Taipei makes sustainable impact locally. And it's a community composed of impact entrepreneurs, activists, creatives, campaigners, artists, freelancers and professionals taking action to drive positive social and environmental change. It is a well-developed ecosystem of social innovation and internationalization; that contributes significantly to sustainability and SDGs.

Impact Hub Taipei is proud to be the first B Corp certified coworking space and impact incubator in Taiwan,

and the first B Corp certified Impact Hub in Asia, as to raise the bar for themselves to do business for good.
